NEWS FLASH - FOR YOUR URGENT ATTENTION

**CDs - MUSIC FOR BOOK 7 & MUSIC FOR BOOK 17
and
FINAL REMINDER - LAST ORDERS**

Music for Book 7 and for Book 17

I have been advised by HQ there is a further delay in the production of these two CDs. POSSIBLE release in August 2010 at St Andrews Summer School. Even if available then, it does mean they will not now reach New Zealand before the next financial year. ie September 2010. The order for these is already with HQ, of course.

In view of the unsatisfactory and uncertain situation, as these delays have now been going on for over twelve months, I would urge any Clubs who were hoping to redeem their Branch Gift Vouchers to offset the purchase for either/both of these two CDs, to consider using them to purchase any of the many other titles currently held in stock by the Record Shop, or else use them for purchases from the Gift Shop.

For the many others who are on the Waiting List and who would be paying the Record Shop direct in the normal manner, I guess it is just a case of patiently waiting.....

Music for Book 46 and for Graded 2

REMINDER - If you are interested in ordering either or both of these CDs please advise me, (giving your full address + Postcode) by 11 June. I need to place this order with HQ before closing the Record Shop.

Record Shop Closure

I would remind members that the Record Shop will be closing to all orders on 11 June 2010 as I am leaving for an extended visit overseas. Please let me have your orders by then.

Prompt settlement of all outstanding accounts would be appreciated.

Many thanks.
