While the list of items people bring to Summer School is long and varied the organising committee have a lot to bring in.

Yesterday the photocopier was installed, linen was put out, and the carpark signs were laminated. These are but a few of the tasks performed on the day before registrations open.

Quite a number of people have moved into their accommodation already with the last load arriving at 1am this morning.

Helen Greenwood, our Logistics Director, has met all these flights and will be back today to meet people arriving.

When you arrive at the village you will be met by Lesley Nicol, Administration and Finance Director, as well as Yvonne Gray, Accommodation and Staff Director.

When you register you are given a guide book. Please check the section in the middle titled useful

information for hints and tips to get the most out of Summer School.
